

The digital revolution is upon us and Pro-Esthetics is on the cutting edge...

LET US BE YOUR GUIDE!

BENEFITS OF USING DIGITAL IMPRESSION SCANNERS VERSUS TRADITIONAL IMPRESSIONS

- Better pricing
- Faster turnaround time
- Better precision and accuracy
- Less chair time per unit = increased profitability

Pro-Esthetics Dental Lab has years of experience working with digital impression scanners. We support all makes and models. So, no matter which scanner you use, we have the know-how to help make the transition from analog to digital as painless as a trip to the... dentist.
